

CE Declaration of Conformity

Manufacturer issuing the declaration: DM-Horizont Kft. 2310 Szigetszentmiklós, Üdülő sor 195.

Product name: AT Heating Module – flow-type liquid heater

Type / Model: AT-03/1f, AT-04/1f, AT-04/3f, AT-06/3f, AT-12/3f, AT-C 06/3, AT-C 08/3, AT-C 12/3, AT-C 16/3, AT-C 20/3

Technical data sheet: **Voltage:** 230/400V, 400V. **Power:** 3, 4, 6, 8, 12 KW. **Protection:** IP24.

The object of the declaration (product) complies with the following EU Directives:

- 2014/35/EU – Low Voltage Directive (LVD)
- 2011/65/EU – RoHS Directive
- 2009/125/EC – Energy-related Products Directive (ErP)

Applied harmonized standards:

Verified by TCVRheinland InterCert Kft., certificate No. MN 69266874 0001 EN 60335:2012 +A1 +A2 +A11 +A13 +A14 +A15. Protection: IP24, Electrical safety test (Class I grounding).

Based on conformity with harmonized standards EN 60335-2-35:2012 +A1 +A2 and EN 82233/82233:2008, we declare that the above-mentioned products comply with Directive 2014/35/EU (LVD).

Product size and description: Boiler body 80x80x115, 80x80x141, 80x80x212, 80x80x271. A cable leads from the boiler body to the control box, which contains the control electronics, fuses, and the displays required for programming.

RoHS Declaration of Conformity / Material composition verification: RoHS certification 2011/65/EU – compliant with EU regulations. Documentation available at the manufacturer's premises. **Test basis:** Product conformity verified by TÜV Rheinland InterCert Kft. Certificate of Conformity No. MN 69266714 0001.

Energy efficiency test result: (99.6%) certified. O-B-01059-23

Production quality management: ISO 9001:2015 certificate – MARTON Expert Office

Note: The technical documentation is available at the manufacturer's premises. The conformity assessment was carried out based on internal production control and independent test reports.

Place and date of issue: Budapest, September 25, 2025.
